A young boy with light brown, wavy hair is smiling at the camera. He is wearing a white t-shirt with red sleeves and has a grey backpack strap over his shoulder. The background is a blurred school hallway with other students and lockers.

A Word About the Waitlist

- **Some schools have a very long list and never accept a student from it**
- **Those accepted off the waitlist may receive minimal financial aid**
- **Remember to submit an enrollment deposit at another school (usually non-refundable)**

Steps to take when on the waitlist:

1. Formally accept your spot on the waitlist
2. Write a short note to the admissions counselor
3. Update the school with recent grades and awards
4. Keep in touch with the school over social media
5. Watch your email for updates
