**II. Explanations / Definitions / Abbreviations**

"*Pool Balance*" for any date shall mean the aggregate principal balance of the Financed Eligible Loans on that date, including accrued interest that is expected to be capitalized, as reduced by the principal portion of: all payments received by the Issuer or Loan Servicer on the Financed Eligible Loans through that date from borrowers; all amounts received, or made, by the Issuer through that date from cash payments made to substitute for Financed Eligible Loans, all liquidation proceeds and realized losses on the Financed Eligible Loans through that date; and the amount of any adjustment to balances of Financed Eligible Loans that a Loan Servicer makes under its related Servicer Agreement through that date. The Pool Balance shall be calculated by the Issuer and certified to the Trustee, upon which the Trustee may conclusively rely with no duty to further examine or determine such information.

"*Adjusted Pool Balance*" means, for any Monthly Distribution Date, the sum of the Pool Balance as of the end of the related Collection Period and the amount on deposit in the Reserve Fund, after giving effect to any payments to or releases from the Reserve Fund on such Monthly Distribution Date.
